Sarah -

EPA would be meeting with representatives of the SPG. The SPG consists of 50 of the 69 non-Tierra members of the CPG. John Connolly of Anchor QEA is the SPG's consultant, and we anticipate he would make a presentation. We have not made any decision as to the limited number of parties that would attend. I would have to ask the SPG if you actually want a list of the 50 members.

Best,

Gary,

Two more questions: 1) if such a meeting were to take place, with whom would EPA be meeting, and 2) assuming not all subgroup members would attend, what parties would the attendees be representing? Is there a list of subgroup members?

Thanks.
